Tips: Check the quantities of the items before assembly

Section 2: Rack Assembly

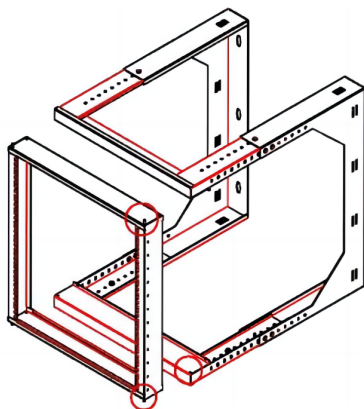

2.1 Install the A and B

Secure the 2 wall mounting frames (A) and 2 depth adjustable transverse supports (B) using 12 M6 large flat head screws (D) and 12 M6 flange nuts (E) as shown in the figure.

2.2 Install front swing frame

Secure the swing frame (C) to the built frame by inserting the bolt on the swing frame into the corresponding hole.
