## INSTALLATION GUIDE

Please remove all packaging materials before proceeding to disassembly/assembly.

### 1. Remove the Top Panel

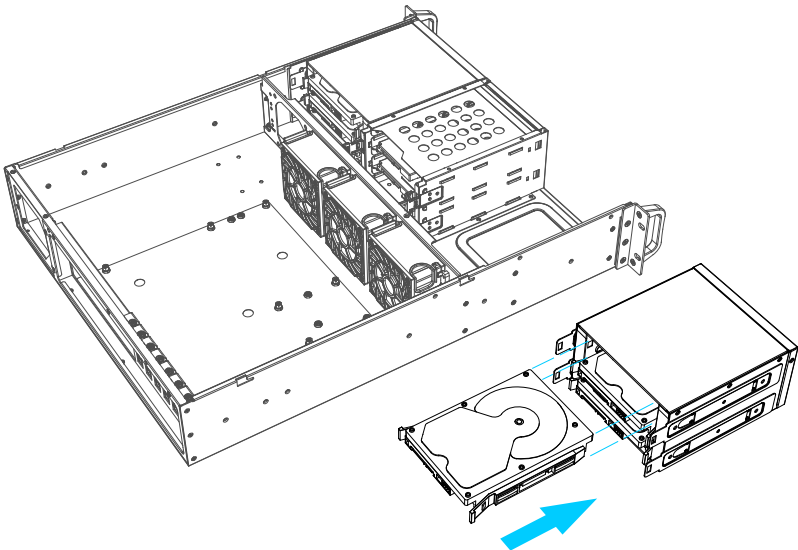

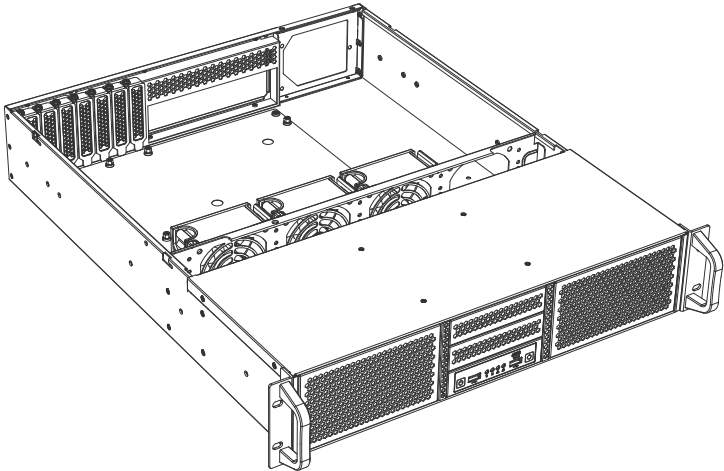

Loosen the two screws on the side panel, then press and hold both one-click locks while gently removing the top panel.

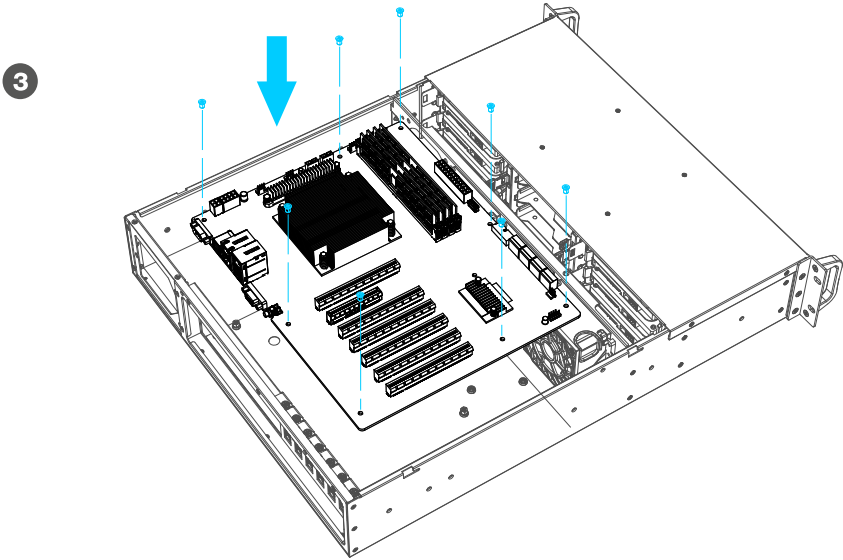

## 2. Install the HDD

Remove the HDD cage panel, take out the cage, install the hard drives, and securely reinstall the cage.

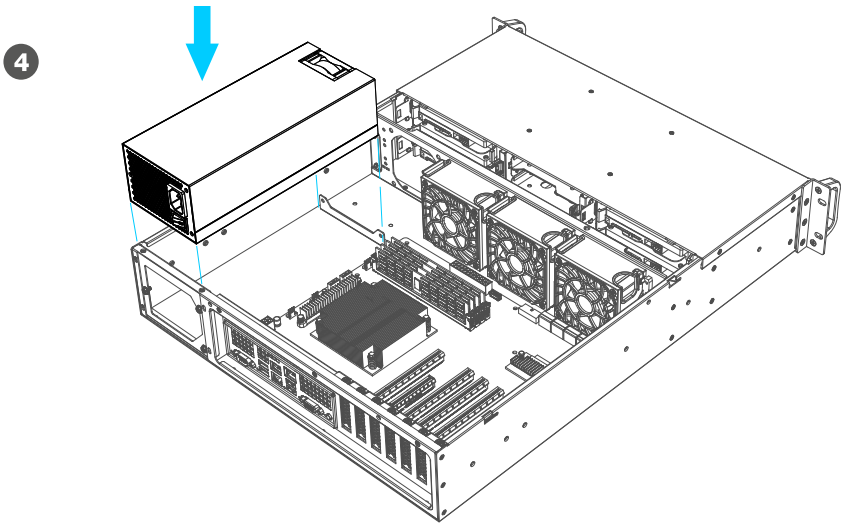

2

**3. Install the Motherboard**

**4. Install the PSU**

## SPECIFICATIONS

Model	
Model Name	RSV-Z2008
